The Board of Directors of Homeless Animals Rescue Team, Inc.

Independent Auditors' Report

Opinion

We have audited the accompanying financial statements of Homeless Animals Rescue Team, Inc. (a nonprofit organization), which comprise the statements of financial position as of December 31, 2022 and 2021, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Homeless Animals Rescue Team, Inc. as of December 31, 2022 and 2021, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Homeless Animals Rescue Team, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Homeless Animals Rescue Team, Inc.' ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Homeless Animals Rescue Team, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Homeless Animals Rescue Team, Inc.'s ability to continue as a going concern for a reasonable period of time.

•

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Notes to Financial Statements December 31, 2022 and 2021

1. <u>DESCRIPTION OF THE ORGANIZATION</u>

Homeless Animals Rescue Team, Inc. (HART) was incorporated as a non-profit organization in the Commonwealth of Virginia in September 1990. HART rescues stray and unwanted animals and gives the general public an alternative to traditional animal shelters. All prospective owners are screened prior to receiving information about animals available for adoption. HART performs a home check and requires an adoption contract prior to releasing the animal to new owners. In the event that an owner can no longer care for a pet or in a life-threatening situation, the animal is placed in a foster home, if available, or is boarded until a permanent home is found.

2. <u>SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES</u>

Basis of Accounting

HART's financial statements are prepared on the accrual basis of accounting. Therefore, revenue and related assets are recognized when earned and expenses and related liabilities are recognized as the obligations are incurred.

Cash and Cash Equivalents

HART considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents. Cash and cash equivalents for purposes of the statement of cash flows exclude permanently restricted cash and cash equivalents.

Contributions Receivable

Contributions receivable represents amounts which have been promised but not yet received. Contributions due beyond one year are discounted to reflect the present value of the contribution.

Fixed Assets

Furniture and equipment are reported at cost. Assets and capital lease purchases are depreciated over a three to five years estimated life using the straight line method.

Notes to Financial Statements December 31, 2022 and 2021

2. <u>SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)</u>

Net Assets

Net assets are reported by the Organization in accordance with Financial Accounting Standards Board (FASB) 116 and 117. Accordingly, net assets have been reported using the following categories.

Net Assets Without Donor Restrictions

Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions.

Net Assets With Donor Restrictions

Net assets subject to donor (or certain grantor) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time o other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that the resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both. As of December 31, 2022, net assets with donor restrictions, time restricted, was zero.

Notes to Financial Statements December 31, 2022 and 2021

2. <u>SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)</u>

Income Taxes

HART is a nonprofit organization, which is exempt from federal income taxes under the provision of Section 501(c)(3) of the Internal Revenue Code. However, HART is subject to unrelated business income tax for activities conducted outside its tax exempt purpose. HART did not conduct any unrelated business activities during 2022 and 2021, accordingly no provision for income taxes was recorded.

HART has no uncertain tax positions that qualify for either recognition or disclosure in the financial statements, and no interest and penalties have been recorded in the accompanying financial statements related to uncertain tax positions.

Donated Services and Materials

Contributions of services and materials are recognized if the services or materials received create or enhance nonfinancial assets or require specialized skills, and are provided by individuals possessing those skills and would typically need to be purchased if not provided by donation. Contributed services and promises to give services that do not meet the above criteria are not recognized. During 2022 and 2021 HART received \$24,448 and \$42,271, in donated materials or services, respectively.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Functional Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the Statement of Activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Notes to Financial Statements December 31, 2022 and 2021

3. <u>COMMITMENTS AND CONTINGENCIES</u>

HART leases office space under an agreement that began on June 1, 2021 and expires May 31, 2025. The future minimum lease payments on an annual basis are:

Years ending December 31

2023	\$ 9,300
2024	9,300
2025	3,875
Total	<u>\$ 22,475</u>

Rent expense for the years ended December 31, 2022 and 2021 was \$14,296 and \$10,976, respectively.

4. <u>FURNITURE AND EQUIPMENT</u>

The following is a summary of equipment as of December 31, 2022 and 2021:

	2022	2021
Vehicles	\$ 77,872	\$ 77,872
Kennels	57,605	57,605
Less accumulated depreciation	(114,215)	<u>(97,748</u>)
Total	<u>\$ 21,263</u>	<u>\$ 37,730</u>

5. <u>INVESTMENTS</u>

Investments are presented in the financial statements at market value. The investment portfolio consisted of the following at December 31:

		2	022	20	21
		Cost	Market	Cost	Market
Equities	<u>\$</u>	297,439	<u>\$ 300,445</u>	<u>\$ </u>	<u>\$ </u>

Notes to Financial Statements December 31, 2022 and 2021

6. FAIR VALUE MEASUREMENTS

FASB Statement No. 157, *Fair Value Measurements*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB Statement No. 157 are described as follows:

- *Level 1* Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Foundation has the ability to access.
- *Level* 2 Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; Inputs other than quoted prices that are observable for the asst or liability; Inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- *Level 3* Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The assets or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize and the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022.

Equities: Valued at the net asset value (NAV) of shares at year end.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Consortium believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Notes to Financial Statements December 31, 2022 and 2021

6. FAIR VALUE MEASUREMENTS (Continued)

The following sets forth by level, within the fair value hierarchy, the Consortium's assets at fair value as of December 31, 2022:

	Fa	<u>ir Value</u>]	Level 1	 Level 2	 Level 3
Equities	<u>\$</u>	300,445	<u>\$</u>	300,445	\$ 	\$

7. <u>FUNCTIONALIZED EXPENSES</u>

The financial statements report certain categories of expenses that are attributed to more than one program or supporting function. Therefore, expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include occupancy, depreciation, salaries and benefits, professional fees, supplies, telephone and internet, dues and subscriptions, insurance, and other, which are allocated on the basis of estimates of time and effort.

Notes to Financial Statements December 31, 2022 and 2021

8. <u>LIQUIDITY AND AVAILABLITY</u>

The financial assets and liquidity resources available within one year of the statement of financial position date for general expenditures are as follow at December 31, 2022:

		Available to		
	Unavailable for	Meet Cash		
Gross	General	Needs Within		
Amount	Expenditure	One Year		
\$ 661,303	\$-	\$ 661,303		
300,445		300,445		
\$ 961,748	\$ -	<u>\$ 961,748</u>		
	Amount \$ 661,303 300,445	Gross General Amount Expenditure \$ 661,303 \$ - 		

The Organization's net assets are available for general expenditure within one year of December 31, 2022. The Organization has a goal to maintain financial assets, which consist of cash and cash equivalents, on hand to meet normal operating expenses for the current budget year.

9. <u>SUBSEQUENT EVENTS</u>

The date to which events occurring after December 31, 2022, the date of the most recent statement of financial position, have been evaluated for possible adjustment to the financial statements or disclosure is November 10, 2023, which is the date on which the financial statements were available to be issued.
