## Walk for the Animals 2011

---

### Team Registration Form

Get your team started now! Register your team by September 15th and your team name will be on the "Walk for the Animals" t-shirts given out at the event!

Each member of the team registers individually and collects as many pledges as they can. All of the pledge money is then added together to make up the team's total; the more money your members raise the better the chances of your team winning. The top money making team will be featured on the **HART** website.
